Dear Ms Price

Congratulations on being awarded the School Participation Award by Andy Langley at the Wiltshire Sports Awards 2017.

I was delighted to learn that your hard work in encouraging children to engage and develop with sport to promote a healthy lifestyle had resulted in you being honoured in such a fantastic way. It is so important that children are taught the importance of exercise in such a wide range of sports and activities.

I read with interest how the school run sensory circuit sessions to develop confidence and motor skills in addition to developing such important skills as listening.

It is always wonderful to see people gain the recognition they deserve for their hard work, and I do hope to read of your further successes as a school.

Yours sincerely,
