

*Class 3 Homework - Tuesday 21<sup>st</sup> May.*

*Due in by Monday 3<sup>rd</sup> June.*

*Spelling: Below are this week's spellings.*

<i>Week 3</i>	<i>information sensation admiration adoration imagination creation</i>
---------------	--

*Maths: Multiplication Tables*

*By the end of Year 2, the children should know, by heart the 2s, 5s and 10s times table. In Year 3, we focus on the 3s, 4s and 8s times table. Here is a website where you can check your knowledge of these tables.*

*Hit the times table button and have some Half-Term fun!*

*<https://www.topmarks.co.uk/maths-games/hit-the-button>*

*English: Listen to and read some of the Top 50 stories on the BBC 500 Words website. You can read the text as the story is read aloud. Perhaps you could pick up some tips and powerful vocabulary choices for your own writing.*

*<https://www.bbc.co.uk/programmes/p00rjvkl>*

*Science: Our new science topic at the beginning of Term 5, is "Rocks and Soils". As part of our scientific investigation, we are going to test and analyse soils. Please bring into school, a sealed plastic bag or container, with a sample of soil from your garden. Name the container and write the location from where the soil sample was taken. The samples will be needed for our science lesson on Wednesday 5<sup>th</sup> June.*

*Remember to read every day and have a lovely holiday!*
