

## Homework - All by Monday 20th May

1. **Reading** - Continue to read every day and bring your reading record in so I can fill in any guided reading sessions and update the poster for completing 250 nights reading! It would be lovely to see a few more reading record books: Reading is important!
2. **English** - Write a review of your time in Year 6 so far. As we are fast approaching our final term at Ramsbury, I would like you to reflect on the many different things we have done since September and write (or type) your top ten moments or events. What were the highlights? The best moments? Why? You might like to discuss this with members of your family before you make your selection! Please give a reason or explanation for each choice - so give a bit of detail to each selection you make. What are you still looking forward to? Give reasons. These will be displayed in class. Remember raffle tickets are available for excellent effort...
3. **Poetry** - This is a reminder about signing up for your poetry recital. This can be an individual or group recital.
