

## Class 2 – Curriculum Intent

**In Class 2, Mrs Rean's and Mrs Hinder's Year 2 curriculum centres around:**

- being creative in their learning
- making links between learning and the outside world
- being engaged and curious
- having empathy outside of their experience
- becoming more independent learners
- being excited about learning (in and out of school)
- becoming more confident in learning, as well as personally
- having the ability to build relationships with other children
- understanding that life can be difficult
- having ambition
- drawing children into a story
- developing a love of books
