15th December 2020

Dear Parents,

COVID-19

As we come to the end of term, I would like to make you aware of the following information and relevant arrangements regarding positive cases in the holidays.

For the first 6 days after teaching ends, if a pupil tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school. Therefore, we ask that you contact our SLT email address, slt@ramsbury.wilts.sch.uk, if you have any pandemic related concerns we need to be aware of. This is particularly important if you need to take a test or have a positive case. This email address will be monitored daily from **18th to 23rd December**.

The attached poster provides the information we will need to share with NHS Track and Trace so please make sure you provide us with all that information.

Where a pupil tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, it would still be helpful for the school to be contacted so that we can contact the Wiltshire Public Health team. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

Kind regards,

Juliet Rean
